The disturbed acreage on your Reclamation Contract has increased from 23.97 acres to 25.94 acres because of the addition of a new access road to the south of the existing mine area and the addition of area D-1. As a result of the addition of these areas, the existing map titled 'Attachment C' will be replaced with the new map titled 'Diamond K Gypsum Five Year Mining Plan And Reclamation Plan' revised March 24, 2006.

This letter serves as an acknowledgment and acceptance of the following:

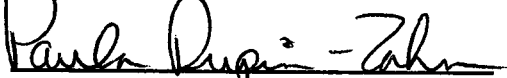

- Map titled, 'Diamond K Gypsum Five Year Mining Plan And Reclamation Plan' revised March 24, 2006, will replace map titled 'Attachment C';
- Acreage increase from 23.97 acres to 25.94 acres;

Nothing herein contained shall vary, alter, or extend any provision or condition of the Reclamation Contract. To the extent any conflict exists between this letter addendum and the Reclamation Contract, these terms shall control.
